**Subject:** Re: Specific questions re chemical safety at EPA and Dr. Beck. Response needed by Monday at noon.

Need some tweaks to 12. It still says 'my'.  
Will look more closely in a bit.

Nancy B. Beck, Ph.D., DABT  
Deputy Assistant Administrator, OCSPP

DRAFT – DELIBRATIVE – NOT FOR DISTRIBUTION/PUBLIC CONSUMPTION --

Below, please find the updated statements – which I suggest sending to him on background, along with the statement I sent him for the record, essentially saying that I don't believe anything he writes is fair or accurate. I plan to send these this evening, as I will be tied up all morning tomorrow. Please let me know by 5 p.m. today if you all have any concerns about the following. Please remember that each response needs to be very short and to the point. Please only send me edits if they are factually inaccurate (which I don't believe anything in here is).  
Thank you – Liz
